

Domain FAD linked oxidase, N-terminal  
Domain ABC transporter-like, ATP-binding domain  
Repeat Ankyrin repeat  
Domain Transcription factor domain, fungi  
Domain Zn(2)Cys(6) fungal-type DNA-binding domain  
Domain Protein kinase domain  
Family Major facilitator superfamily  
Domain Aminoglycoside phosphotransferase  
Family Major facilitator, sugar transporter-like  
Domain Glycoside hydrolase family 18, catalytic domain
